Who We Are

Founded by Dhillon after 15+ years across the New Zealand scaffolding industry, Erect It Scaffolding Services Ltd is Wellington's go-to crew for homeowners, painters, roofers, builders, and commercial contractors.

Based in Plimmerton, we cover all of Greater Wellington — Wellington City, Porirua, Lower Hutt, Upper Hutt, K■piti Coast (Paraparaumu, Waikanae, ■taki), and Wairarapa (Masterton, Carterton, Greytown). Genuinely local, not a franchise.

SiteWise Gold 2026/27 certified — the highest H&S accreditation in NZ construction. WorkSafe NZ compliant on every job. Fixed-price quotes. Handover certificate on every erect.

Our Scaffolding Services

Residential · Commercial · Specialist

ERECT IT
SCAFFOLDING

Residential Scaffolding

House painting, reroofing, extensions, and new builds. Ringlock system for safe, stable access on every Wellington residential job — including steep hill sections.

Commercial Scaffolding

Fixed-price, WorkSafe NZ compliant scaffolding hire for commercial builds, repaints, and renovations across Greater Wellington and Wairarapa.

Shrink-Wrap / Encapsulation

Full weather encapsulation for recladding and reroofing projects. Keeps your crew working through Wellington's unpredictable conditions.

Edge Protection

WorkSafe NZ compliant perimeter edge protection for all roof types — flat membrane, pitched, and complex multi-level buildings.

Safety Nets

SNS-certified safety nets for new builds and construction projects, providing fall protection for framers and trades working at height.

Propping / Falsework

Structural propping and falsework for construction, renovation, and engineering projects across Wellington — engineered to site requirements.

Why Choose Erect It?

SiteWise Gold 2026/27

NZ's highest H&S pre-qualification. Handover certificate on every job — your crew steps on, no delays.

Fixed-Price Quotes

Free, itemised quotes with no hidden surprises. Single-storey from ~$800. Two-storey from ~$1,400.

24–48 Hour Turnaround

Most jobs scaffolded within 24–48 hours of confirming the quote. We work around your crew's schedule.

Wellington Hill Specialists

Extended base jacks, sole boards, and correct bracing for Wellington's steep sections and coastal wind exposure.

Ringlock System

Modern Ringlock scaffolding — faster to erect, more versatile, and safer than older tube-and-clip systems.

5.0 Google Rating

68 five-star Google reviews. Wellington's highest-rated scaffolding company — our work speaks for itself.

Our Work

Real projects. Real photos. Greater Wellington & beyond.
